Statement from Counsel for Brandon Elliot

(NEW YORK, NY) – **The Legal Aid Society** issued the following statement as counsel representing Brandon Elliot:

“At this time, we strongly urge the public to reserve judgment until all the facts are presented in court. Mr. Elliot has a constitutional right to counsel and due process. As with every client we represent, he will have unfettered access to our legal resources and expertise. We are fully reviewing this case and will have additional comments in the coming days and weeks.”

The Legal Aid Society exists for one simple yet powerful reason: to ensure that New Yorkers are not denied their right to equal justice because of poverty. For 145 years, we have protected, defended, and advocated for those who have struggled in silence for far too long. Every day, in every borough, The Legal Aid Society changes the lives of our clients and helps improve our communities. www.legalaidnyc.org
