The Legal Aid Society exists for one simple yet powerful reason: to ensure that New Yorkers are not denied their right to equal justice because of poverty. For over 140 years, we have protected, defended, and advocated for those who have struggled in silence for far too long. Every day, in every borough, The Legal Aid Society changes the lives of our clients and helps improve our communities. <https://www.legalaidnyc.org>

The Northwest Bronx Community and Clergy Coalition (NWBCCC) unites diverse peoples and institutions to fight for racial and economic justice through community organizing to transform the Bronx and beyond. We take direct action to confront injustice and win concrete victories that change material conditions, giving people a sense of the power of our community. We invest in our members' capacity to realize a shared vision for the Bronx where our people collectively own and govern the assets and political processes in our community.
